

**STUDENT QUESTIONNAIRE**  
**(For grades 6<sup>th</sup> to 12<sup>th</sup>)**

Please look at this form as a way of telling us who you are. We are interested in providing you with opportunities to grow socially, spiritually, physically and intellectually.

The information you provide will help us not only in reviewing your application, but will also be important in assisting us in your course selection.

Feel free to submit any additional information you believe to be important or to omit parts of this form which you believe are not relevant to your application.

**Date of Application** \_\_\_\_\_

Your full name: \_\_\_\_\_ Grade: \_\_\_\_\_  
*(Last)* *(First)* *(Middle)*

**Schooling:**

List all the schools you have attended since 6<sup>th</sup> grade. If you withdrew before completing any school year, indicate the reason.

| <b>Grade</b> | <b>Name of School</b> | <b>Address</b> | <b>Year</b> | <b>Reason</b> |
|--------------|-----------------------|----------------|-------------|---------------|
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
|              |                       |                |             |               |
