Dear Parents,

Last week I wondered whether people really read the Parent News. Wow- what a pleasant surprise. I had over 200 emails from families, staff and even former staff who have asked to stay on our Parent News list. Not only was I blessed to see so many responses but I also read many words of encouragement which showed gratitude for the staff, for the communication and for the school. Many of you talked about the importance of the Parent News in staying on top of all of the events that are happening at Rehoboth and trying to stay organized. Some of you cut out the breakfast/lunch menu or sports schedule and have it posted on your refrigerator. I am thankful for parents, staff and even former staff, who like to know what is going on at our school. The Rehoboth family is a special thing! I am amazed! See you at the Fall Carnival?

By the way, the first 50 respondents to last week’s Parent News will be notified about their gift!

Bob Ippel  
*Rehoboth Christian School Executive Director*

**Thanks for Your Help! Elementary/Middle School Drop Off and PreK Drop Off**
Thanks for helping us reserve the Elementary Parking Lot for PreK families from 7:45-8:15 daily. This has really helped our 55 PreK families who must daily park their cars and walk their students to their classrooms. These families have a parking permit which allows them to use the parking lot during that time. The parking and walking was much safer this past week as we have implemented this policy. Thanks for your help!

Stop by to get your Lynx and Rehoboth Christian apparel, water bottles, lanyards and much more! We have new items available in our Lynx gift shop located in the Administration Office. You can stop by during our Administration Hours from 8 am-4 pm.

Elementary and Middle school Drop-off/pickup
If you are dropping off or picking up elementary and middle school students, please use the parent loop past the church and behind our building.

In order to ensure that the elementary playground parking lot is as safe as possible for our PreK students, we will be implementing a parking permit for the morning drop-off. Each family has received a yellow parking permit. Families who do not have a Prek student must use the parent loop for picking up students after school, not the playground or high school/church parking lots. Our elementary and middle school staff supervision is up by the parent loop.

Thank you for helping keep our students safe and promote good traffic flow.

Transportation Changes
If you need to make a transportation change for your student, please contact Val Peywa before 2:15 so that she has time to communicate with classroom teachers and students.

Toolbox Thursday
We hope you have found a quiet safe place for family members to use when they are overwhelmed with feelings and need to take a break before they do or say things they will regret later. We have several such spaces in our classrooms and school buildings.

The Listening Tool will also improve our relationships with friends and family. We will learn to listen with our ears, eyes, heart and mind. Check out the note and activities coming home on Thursday.

“Do you ever feel like your child’s cell phone, game console, or computer has taken over your home? These devices can be wonderful tools for communication, learning, and healthy enjoyment, but they can also become dark and destructive without the necessary parental supervision and limits. Although the basics of parenting remain the same, issues involving technology have left many parents wondering what limits are appropriate, how to hold their children accountable for misuse of technology, and how to help kids learn the decision-making skills required to make healthy choices when they leave home.”

Greetings from the Kitchen. The Health Inspector came in and we did really well, we had no findings. Regrettably, they asked that we not provide dishes and cutlery for the kids that bring their own lunch. We do have utensils and styrofoam cups available but not plates and bowls.

Unfortunately, family volunteers must have a current food handlers card on file with the kitchen. If you don’t have a food handlers card yet and want to volunteer to serve, we can help you find online resources to meet the requirement.

To celebrate Indigenous day we will be serving Navajo Tacos on Monday Oct. 9. Thank you staff and volunteers, you are all awesome in all you do. Blessings from the Kitchen. Kiddos enjoy your Fall Break on Oct 12 and 13th. If you have any questions, concerns, or any ideas, please don’t hesitate to contact me at danderson@rcsnm.org

"Let Love be genuine. Abhor what is evil; hold fast to what is good “ Romans 12:9

Now down to business.

We need servers now, more than ever, please contact Deanna Benson at dbenson@rcsnm.org if you can do your volunteer hours by serving lunch. It is the BEST job on campus, kids LOVE to be fed! We have some great graphics going up this week to help them celebrate Hispanic Heritage week, and Indigenous day.

We are encouraging kids to drink their milk, and eat the food on their plates. Please encourage your kids to eat what is on their plate, remembering they can speak up & turn down a food item, as long as they have 3 items on their tray, one being a fruit or vegetable!

**ALL kids eat FREE!** Take advantage! 😊
