There are many things I will miss about my role as Executive Director. One of those things is conversations with staff. Their jobs are challenging, but the amazing love our staff have for students is mind blowing. Teachers, assistants and the SALT staff work so hard to make lessons engaging, to differentiate learning and to point students to God. And they work hard because they love their students so much. They want them to succeed. Most of all, they want their students to know that they are loved.

And our students are so fortunate that the Rehoboth adults who care about them include even more than the teaching staff. The bus drivers, the facilities and food service staff, the coaches and those who work in the administration building deeply care about the Rehoboth students. I love to watch the interaction between these adults and the students. It is clear that the staff care and that the students notice.

This week the High School and the Middle School students took a survey to identify adults on campus who they feel know them and who they could go to with a concern other than academics. We wanted to be sure that every student had an adult in their life on campus who could give them support and encouragement. What a blessing to see that every student who took the survey could identify an adult who they knew cared about them. And what a blessing for our staff to know that there are students who look to them as ones who can encourage and support.

Yes, there will be many things I miss about Rehoboth. But those conversations with staff members- both easy and challenging- will be part of this job that I miss. (Next week, you will find out about another group of people I will miss!)

Amazed!

**Toolbox Thursday**

*Living Images,* one of our *God Jobs* (or Throughlines), is a beautiful way to describe how we can be God’s image to others. In our lesson this week we will connect some characteristics of God with our Toolbox Tools. For example: one of God’s characteristics is forgiveness. So when we forgive others we are showing them a picture of God - the one who forgives.

**End of Day Check-outs**

Please make sure that if you need to check your student out at the end of the day, that you are here at least one hour before the end of the school day. So, on Thursday check-out before 12:05, and other weekdays before 2:05. This helps our teachers and students finish their day strong without so many interruptions. Thank you!

**Drop off/Pick up Loop**

As you drop off and pick up your students in the gravel loop, please use one single lane for your student to exit and enter your vehicle. It is unsafe for students to walk in front of vehicles to a second lane. Thank you for helping keep all our students safe!

Quarter 3 Ends March 1
Next week Friday, March 1 is the end of the third quarter of the school year. Time is flying! We will issue report cards on Monday, March 4 so that families will have time to look them over before Parent-Teacher Conferences.

For Athletic Eligibility purposes, students who were ineligible for 3rd quarter because of failing grades at the end of first semester can earn their way back into eligibility with passing grades at the end of the quarter. Rehoboth’s weekly eligibility standards apply to students on our sports teams, those going on Band Tour, and students in the Spring Musical.

Parent-Teacher Conferences
Spring Parent-Teacher conferences take place on Thursday, March 7 from 4pm-8pm in the LC of the High School and on Friday, March 8 from 9am - 1pm as well. There’s no school on Friday, so families have a chance to stop in for a conference before heading out for Spring Break. No reservations are required for high school conferences. Instead, families can just stop in and meet with teachers at their tables in an open house format.

Spring Break
Spring Break begins Friday, March 8 for all Rehoboth students. We will resume classes on Monday, March 18. Basketball state playoffs will take place over the break, so stay tuned to Rehoboth email and social media for game dates and times.
