Dear Rehoboth Families,

This has been a challenging week. Again and again we hear news of families who are losing loved ones. 10th grader Antonio Rivas lost his father. Senior Fionia Martinez lost her mother after having recently lost her father and grandmother. Senior Shawn Begay (son of Rehoboth staff member Phylis Begay) lost his grandmother. I have heard of many families that have loved ones who are ill with COVID with varying severity of symptoms. Please pray for those who grieve.

I also have been so troubled by the events happening in the United States. How different the week would have been if all citizens had taken on the Kingdom building roles that allow us to bring shalom to the chaos. Imagine if we all saw ourselves and each other as Children of God, Living Images, Truth Seekers, Diversity Advocates, Community Builders and Justice Warriors which are reflected in the Rehoboth calendar. The work of Christian education has never been more challenging or important. It is crucial that we challenge and equip our students to live out their Christ like callings today and in the future. Pray for the work of Rehoboth Christian School.

So thankful to be part of the Rehoboth family. Let us encourage each other as we continue on. "Let us hold unswervingly to the hope we profess, for he who promised is faithful."
(Hebrews 10:23)

Mr. Bob Ippel,
Executive Director
