

Dear Friend,

Thank you for considering Rehoboth Christian School as a place of employment. Rehoboth is a beautifully diverse community that seeks to offer a life changing Christian education to students from the Navajo Nation, the Pueblo of Zuni, McKinley County and Gallup, New Mexico. We believe that each person in each department plays a crucial role in fulfilling our mission statement:

Rehoboth Christian School challenges its students to know the Triune God and equips them to love, serve and transform the world in His name.

The Elementary Middle School Counselor has a critical role in terms of supporting our students and staff. Many Rehoboth students have experienced trauma and require individual support. Meeting the needs of students in group settings to deal with topics such as anger or grief is also necessary. The counselor must have good interpersonal skills as this position interfaces with many students and staff. The counselor works closely with the building principal, the special education director, the chaplain and the high school counselor. Because of the challenging nature of this position, we suggest that candidates have had experience with school counseling or at least experience in dealing with youth who have faced difficult life challenges.

If you think you would like to be part of the Rehoboth team where you could contribute and learn, we hope you fill out an application. If you want to talk more after you have read the job description, reach out to us by calling (505) 863-4412 or emailing adminsec@rcsnm.org.

One of the most powerful ways to accomplish our mission is to have our dedicated, Christian, Native American brothers and sisters working at Rehoboth. We cherish those applications and opportunities, but we also welcome all Christians who resonate with our mission to apply for our team.

Thank you for your interest,

Bob Jppel
