Table Talk

Bob Ippel, Executive Director

I am excited that Rehoboth is adding the position of Alumni Officer to the Advancement Department. It is crucial that we stay in touch with our alumni for so many reasons. Feedback from alumni helps Rehoboth celebrate what it is doing well and encourages changes where those need to happen. Most importantly, for many of us, Rehoboth is a special place where there is a strong bond between staff and students and family. Graduation does not suddenly sever that bond. Our love for the students continues and we want to celebrate their accomplishments and support them in their challenges. The life experiences of our alumni can also bless our current students as they come back and share about their passions and journeys. Connecting alumni with faith communities is often possible because of Rehoboth's network of church supporters throughout the country. This position has a lot of potential.

I think about the alumni that I have heard about in the last few weeks:

Rosie Charles, class of 2007, member of a punk rock band, touring in Germany and reconnecting with the family of Maria Hoelscher, a German exchange student, who died in a car accident while at Rehoboth.

Dandro Fralinger, class of 2020, graduating with a history degree and entering UNM Medical School, coming to Rehoboth for a research project, using the Rehoboth archives.

Adain Pete class of 2020, invited to sing the Star Spangled Banner with a group at the Final Four this coming weekend

Pete Garcia IV, class of 2020, singing in Susunna, an American opera at NAU this weekend

Jon Ang, class of 2014, currently an elementary music teacher in Oregon but returning to the world of performance as a drummer

Muriel Arrowsmith and Katie Marotta, class of 2006, brought their husbands to see the school campus; Katie asks for prayer requests that she be completely healed of a brain tumor.

Received the news of the passing of two alumni: Tim Kempkes, class of 2010, passed away after a brief illness in Kansas
Cameron Carroll, class of 2008 passed away in Gallup.

Caleb Dickson, Class of 1974, invited to participate in this year's High School graduation by giving a blessing; he is now a pastor in Classis Red Mesa.

The Alumni Officer will have a great opportunity to connect with the many graduates of Rehoboth and their families. We look forward to hiring for this position. And by the way, our latest school newsletter is an alumni addition. We have lots available at the Administration Building. Stop by and pick one up or ask us to send one home with your child if you did not get one or if you want to share them with others.

Amazed!

Update from our school nurse - re:COVID

There is no longer an isolation period for Covid illnesses. The protocol is the same as the Flu. When positive with covid, stay home while you have symptoms & return to school/ work when you are fever free for 24 hours and all other symptoms are improving.

April 8 Solar Eclipse

On April 8, there will be a solar eclipse which will begin at 11:15 am, reach its peak with 66% of the sun being covered at 12:28pm and end by 1:40 pm. This special celestial event is treated differently by various brothers and sisters of our school community. We will respect the decisions of families regarding the eclipse. Families may choose to keep their children home or may request that students not go outside or eat during the eclipse if that is part of your tradition. Other students may be allowed to safely observe the eclipse under the supervision of their teachers. This is a great example of Rehoboth's commitment to being a big tent and respecting and loving each other even though we have a variety of understandings of how to live out our love for God.

At the top, the school name is displayed on the left, and navigation links for 'FACTS', 'Español', and 'Customer Service' are on the right. Below the header, the school name is repeated. A central text block instructs users to click 'Sign In' if they've applied before or 'Create your Account' if it's their first time. To the right, there is a 'FACTS' logo and two buttons: 'Create your Account' and 'Sign In'. The footer contains the identifier 'B9AFQOE v24.2.10216.10904', links for 'Customer Service', 'Terms of Use', and 'Privacy Policy', and a copyright notice for Nelnet, Inc. and its affiliates.

Hello Rehoboth Christian School families!

My name is Duane Yazzie and I am the Box Tops for Education Coordinator for our school.

During the ups and downs of the past couple of school years, one thing is certain: teachers and students need more help than ever before. Box Tops is a fast and easy way for you to support RCS.

Our goal is to support book purchases for the library through Box Tops. We have currently earned \$100.00 and we'd love your support!

Here's how you can help us reach our goal:

- Buy Box Tops products, scan your receipt with the Box Tops app within 14 days of purchase and earn for Rehoboth Christian School with every Box Tops product you buy.
- Refer your friends, family and other parents in the school to download the app. You'll even get Bonus Box Tops for our school with each referral that successfully scans their first receipt.
- Turn on notifications in your Box Tops app to get scan reminders and stay updated on special offers, new products and opportunities to earn for our school. Go to your Communications Settings by tapping on the person icon in the upper-right corner of the app.

Let's give our library the support it deserves and little by little, we can help make a big difference.

Sincerely,

Duane Yazzie, Teacher-Librarian
