Table Talk

Bob Ippel, Executive Director

Dear Parents,

I am so thankful for the Red Ribbon drug awareness week that is being held by the Elementary and Middle School students. I have heard of conversations that are happening both in the classrooms and at home as a result of the events planned by the counselors of the Elementary and Middle School students. When our children are young and excitedly participating in the events of Red Ribbon week, it is hard to imagine that their lives may someday be upended by addiction. Unfortunately, too many of us know the reality of loved ones and friends whose lives have been decimated by drug use and we desperately pray for the protection of our children. While addiction is a complicated thing, we pray that events like Red Ribbon week will help children and youth be more aware of the dangers of drug usage and the pathways to healthy living.

Thanks for Your Help! Elementary/Middle School Drop Off and PreK Drop Off

Thanks for helping us reserve the Elementary Parking Lot for PreK families from 7:45-8:15 daily. This has really helped our 55 PreK families who must daily park their cars and walk their students to their classrooms. These families have a parking permit which allows them to use the parking lot during that time. The parking and walking was much safer this past week as we have implemented this policy. Thanks for your help!

Personal space refers to the area around us that we consider our own. It's like an invisible bubble or boundary that surrounds our body. Using the personal space tool is about **respecting** someone's privacy and giving them enough room to feel comfortable. The Thursday handout will provide more information and ideas to practice.

Pokémon Cards

We like to encourage students to explore passions and interests, to develop interdependence with one another, and learn to use free time responsibly. However the trading of and playing with Pokémon cards has become a point of contention, exclusive, and ultimately is taking away from student learning. For these reasons, we are asking that students no longer bring their cards to school. Thank you for your support in this matter!

If transportation changes are necessary, please contact Val Peywa before 2:15 so that she has time to communicate with classroom teachers and students.

God Cares about our Mental Health

This week in chapel, Mr. Daniel Ensign (RCHS Counselor) shared with all of our students some strategies for protecting and preserving their mental health. Students practiced a few grounding exercises and were encouraged by the messages from the Bible that show God's heart for our mental and emotional well being. Mr. Ensign reminded students that the Lord is strong enough to hear our complaints and cries, so we don't need to hold those back from him. We are never facing hard times alone, and that He can provide us with the hope that we need—not just to endure, but to rise up in strength. If, as a parent, you are interested in some of the techniques Mr. Ensign shared to help students get through moments of stress and anxiety, he would love to share those resources with you. You can email him at densign@rcsnm.org.

Special Opportunity for RCHS Seniors and Their Families

Next week, our seniors will have a special presenter in their Senior Seminar classes. She will also follow up individually with each student over zoom in the spring to see how their decision for college is going and brainstorm a specific plan with them for their success. As part of her time here on campus, Ms. Admiraal will host an evening event for seniors and their parents on Thursday, November 2 at 5:30pm. Save the date!

NATIONAL WREATHS ACROSS AMERICA DAY DECEMBER 16, 2023

Wreaths Across America is a program which began in 1992 with the placing of wreaths on seldom visited veterans' graves in a remote section of Arlington National Cemetery. It has since grown to be simultaneous ceremonies which take place all across America and on certain foreign shores in order to **Remember** and **Honor** all those who have served in the military of this great country as well as to **Teach** our youth about the importance and cost of the individual freedoms which we hold dear. Each December on National Wreaths Across America Day, our mission to **Remember, Honor** and **Teach** is carried out by coordinating wreath laying ceremonies at Arlington National cemetery, as well as at more than 1,600 additional locations in all 50 U.S. states, at sea and abroad.

Our goal is to remember and honor approximately 120 veterans whose final resting place is in the Rehoboth cemetery. The wreath laying ceremony will take place December 16, 2023 at 10:00 am, at the Gallup Courthouse Plaza after which families and volunteers will disburse to cemeteries in Gallup and at Rehoboth to place wreaths on Veteran's graves.

Wreath sponsors and Volunteers are essential in order for the Wreaths Across America program to succeed. Sponsors can pay for as many wreaths as they choose at a cost of \$17.00 each. Volunteers can serve by placing wreaths, after the ceremony, on the grave sites of veterans who do not have family available to place them. If you would like to serve by sponsoring and/or volunteering, please contact Angela Barker @ (575)779-4444 or Melvina Musket @ (505)879-0077.

Corporate Sponsors are also needed to sponsor additional wreaths for graves of veterans. If you would like to serve as a Corporate sponsor, please contact Janice Bradley at janiceb43@me.com.

The deadline to sponsor wreaths is November 28, 2023.

Wreaths Across America is a 501 (c) (3) non profit organization founded to continue and expand the annual wreath laying ceremony begun at Arlington National Cemetery, Arlington, VA.
