Table Talk

By Dan Meester, Executive Director
505-726-9623, dmeester@rcsnm.org

“Your life is supposed to be a journey from one unique place to another; it’s not supposed to be a merry-go-round that brings you back to the same spot over and over again.”

– Rachel Hollis

We’re almost finished with the first semester here at Rehoboth—what we could also think of as the first leg of our journey of improvement for the year. Looking at the statement above, how would you rate your child’s development so far? How about your own?

School is a place for academic education. It’s supposed to make us smarter, more skilled, more curious, better communicators, and so forth—all great intellectual qualities.

But at Rehoboth, there’s far more going on than just the acquisition of “head knowledge.” Students and teachers work together to grow in their faith throughout the year, often informed by the life situations they face. We build relationships with each other and lend each other support. We stand up for each other during tough times. And we serve others, willing to sacrifice ourselves for their benefit.

So, with all that in mind, how are you doing?

Has life provided you with opportunities to dig deeper and stretch yourself in these areas?

Are you delving into God’s Word and letting it shape your thoughts?

Are you praying regularly to talk to your Heavenly Father and build your relationship with him?

Are you plugged into a community of believers at a church who can walk this journey with you and provide you with support when you feel like you’re stumbling?

Are you willing to have hard conversations that improve relationships, even when they are uncomfortable?

Have you picked up a new skill?

I doubt any of us feel like we’ve mastered all of these opportunities, but that’s the good news about a journey: You don’t have to arrive at the destination any faster than it takes to get there.

Take stock of yourself and your children as we near the halfway point. And know that we’re here to walk alongside you in any way that is helpful. Let’s get off the merry-go-round this Christmas and get out on the road to the future God has laid out for us.

Together,

Dan Meester, Executive Director

Please and Thank You Tool:

"Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, 2 then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. 3 Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, 4 not looking to your own interests but each of you to the interests of the others." Philipians 2:1-4

The rest of the passage goes on to share that we should be kind and work together-- not just think about ourselves, but care about others as well trying to get along and help each other. The passage also reminds us to look at how Jesus acted.

The Please and Thank You tool is all about the ways we can show kindness and express gratitude towards one another using basic manners. Manners are small actions or simple words that help build connection and show others that you care-- "unlocking their heart." Being polite and having "good" manners can help open the way to lead to heartfelt connections-- something that Christ calls us to do.

Exam Week Schedule

As a reminder and for those who are taking high school exams for the first time: Students do not need to be at school if they do not have a scheduled exam for a given time slot. However, if they are in school, they must report to their scheduled class and teacher. Students will take their exams during the scheduled time for their class period, unless authorized by their teacher. Students must report on time for their exams, and late arriving students will not be admitted to their exams.

When finished with exams for the day, students may sign out with parent permission if they have transportation home. Students must stay in their designated rooms or study spaces both before and during exam periods. If students miss an exam period, they can make it up on Thursday 12/18 or during another exam period when they are not already taking a test. If you have any questions about the schedule, please contact Ms. Begay in the HS Office at (505) 726-9632 or sbegay@rcsnm.org.

Students as Art Teachers

Before Thanksgiving Peyton Davis and Mary Helen Brown, both Seniors, taught a large group of third graders from Holland Christian High School how to make a geometric art project. The project involved cutting several shapes and arranging them in an artistic way. In order to get the students to make this project, Peyton and Mary Helen made a lesson plan that walked the students through the steps necessary. Here is a picture of Peyton and Mary Helen standing beneath the sample projects.

Concert Season

The Christmas season brings wonderful concerts performed by our band and choir. This year the Christmas band concert will be on Monday evening, December 8 in the main gym of the Sports and Fitness Center; and the choir concert will be on Saturday afternoon, December 13 at the First United Methodist Church located at 1800 Redrock Dr.

Musician Recognition

Recently several students were acknowledged for making the New Mexico Honor Choir and Band. Beyond that recognition, three students received even higher honors than just the selection to the Honor Choir. Lily Cavanaugh and Irelynn Delgado were both recognized as the highest ranking Alto 2 singers in their choirs, and Ellen Zwiars was recognized as the first chair of the small ensemble band. Congratulations Lily, Irelynn, and Ellen on your accomplishments; your practice time has been well spent.

End of the Semester

After this week there is one week of classes and then a week of exams before the end of the semester. Now is the time to encourage your students to finish the semester well, and now is the time for students to take renewed efforts into the work that needs to be done. The end of the semester can be difficult, so encouragement will go a long way in helping your student keep focus on the tasks ahead.

We are encouraging kids to drink their milk and eat the food on their plates. Please encourage your kids to eat what is on their plate. Remember they can speak up and turn down a food item as long as they have three items on their tray, one being a fruit or vegetable.

Just a reminder, we will be doing finger scans for all new students for counting lunch meals. All we need is one scan, and it is good for the rest of their time at Rehoboth. Once the student has graduated or leaves Rehoboth, their scan will be delete
