Table Talk

Dan Meester | Executive Director

I had the pleasure of sitting in for our elementary/middle school principal, Mrs. DeYoung, for a couple of days this week while she was attending a conference in Florida. It gave me the opportunity to wander through the classrooms and watch our teachers and students in action. I also sat in on some conversations with both staff and students who were going through some rough patches.

Both of those experiences highlight the great work being done at Rehoboth and the amount of effort that work requires. It's not easy to plan well for all the little transitions and activities that happen during a 7-hour school day, but our teachers lead class like maestros. It's not easy to stick your neck out and ask a question when you're afraid of how it will make you look to your classmates, but our students are learning to do just that. It's not easy to take the time to unpack all the reasons behind a child's choices or behaviors and then help them regulate their emotions, restore relationships, and get back on track; but our counselors and SALT teachers shine in those moments.

Good things don't just happen by chance. They require hard work.

Our school mission statement says that we're equipping kids to love and serve God . . . and transform the world in His name. That's a big job, full of obstacles and challenges that want to throw us off the path.

A copy of the book, *Do Hard Things*, sits on the shelf here in my office. It was written about 15 years ago as an encouragement to teens to overcome the low expectations that society often has for them, and instead live into the high expectations God has for them. While I don't agree with everything in the book, I love its overall posture and call to young people to make their lives matter for the Lord and His Kingdom right now.

The reason we are able to do hard things is because God has our back. Joshua 1:9 says, "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go." We love using that verse with our basketball team as a reminder that they aren't alone. Aside from giving us His Holy Spirit, the Lord also puts other people in our lives who can help us do hard things—who can help us keep going when we feel like we have nothing left. Rehoboth is a community in which we're called to lift each other up and bear each other's burdens. With that mindset and with the help of our Almighty God, we can, indeed, do hard things.

Together,

Dan Meester, Executive Director

ACE Scholarship

The ACE Scholarship application is now open and available for the 2025-2026 school year to all families who fall in the financial guidelines categories seen [HERE](#). This is an external scholarship that is available from a foundation that believes all children should have access to quality education. It is well worth applying for this scholarship as the recipients can receive around \$3000-\$4000 towards tuition. Deadline is April 15.

As Rehoboth has contracted with FACTS/ACE to pay the application fee, there are two applications that need to be filled out.

- 1) <https://online.factsmgt.com/grant-aid/inst/46T5C/landing-page>
- 2) <https://online.factsmgt.com/grant-aid/inst/4P88Q/landing-page>

The first application is the Rehoboth application (for the fee waiver). The second application is the ACE scholarship. If you skip the first application the page to pay the application fee will come up on the ACE scholarship and you will not be able to submit the scholarship without paying the \$35 fee. Please fill out both applications in the order listed above. You can submit the ACE scholarship before you have your taxes done and then go back to upload your documents. Ace will email you a reminder of what documents you need to upload. If you are adding any new students this year please add their names to the ACE scholarship even though they are not admitted yet.

From the School Nurse:

A measles outbreak has been declared in Lea County (Southeast corner of NM). It is suspected to have started in Texas and spread into New Mexico. While this is far from Gallup, I want families to be aware and prepared in case the outbreak continues to spread through the state.

Measles: it isn't just a little rash! Measles can be dangerous, especially for babies and young children.

Measles symptoms typically include:

- High fever (may spike to more than 104°F)
- Cough
- Runny nose
- Red, watery eyes
- Rash breaks out 3-5 days after symptoms begin

Measles can be serious

- About 1 out of 5 people who get measles will be hospitalized.
- 1 out of every 1,000 people with measles will develop brain swelling due to infection (encephalitis), which may lead to brain damage.
- 1 to 3 out of 1,000 people with measles will die, even with the best care.
- ***You have the power to protect your child. Provide your children with safe long-lasting protection against measles by making sure they get the measles-mumps-rubella (MMR) vaccine according to CDC's recommended immunization schedule.***

Elementary News

Converge

This week three of our staff members and I recently attended the Converge conference, a special gathering of Christian school leaders organized by Christian School's International (CSI), where this year's theme was "Faithfully Present and Courageously Good" and we heard amazing speakers discuss this theme in the context of using technology in ways that honor God, hospitality in our everyday interactions, and becoming addicted to prayer. What brought me much joy is hearing how God is working in Christian schools not just here, but all around the world. As a growing leader in education, I found it truly inspiring to hear these stories. We look forward to putting these new insights into practice at Rehoboth as we continue to provide the best possible Christian education and become a place of flourishing. Thank you for your continued support and partnership in your child's education.

Toolbox Thursday

Terrific Toolbox Tidbits: In the Dining Hall a student used the PAUSE button on his "remote" and then reminded his friends to use the Apology Tool to glue their friendship back together. We hope and pray you are seeing the Toolbox Tools in use at home as well.

Celebration of Learning- Science Fair

It's hard to believe we're already approaching the end of the quarter! Our 7th and 8th graders are working hard on their research projects and will be presenting their findings on March 13th, during parent teacher conferences. Please mark your calendars for this celebration of their learning!

Phone Free

If your student arrives late for the day, please remind them to turn in their phone to Mrs. Peywa before going to class. Especially on "B" days when their first class of the day is in the high school building. They should first check in with Mrs. Peywa, and then go to class.

End of Quarter

Quarter 3 ends on Friday, March 7. For students that have missing work, the last day to turn in those assignments will be on Monday, March 3. Now is a good time to check in with your student and/or teacher to get those turned by the end of the day on Monday. This will give teachers plenty of time to grade those late assignments.

Upcoming Events

- March 10 - MS Baseball @ JFK - Sports Complex 3:30pm & 5pm
- March 12 - MS Softball @ JFK - Sports Complex 3:30pm & 5pm
- March 13 - Science Fair 4:00 - 7:00
- March 12-14 - Scholastic Book Fair
- March 13-14 - PTCs - exact times TBD
- March 14 - NO SCHOOL, Morning PT Conference
- March 17-21 - Spring Break

High School Highlights

Quarter 3 ends on March 7; that is Friday of next week. While that seems very close, teachers have been reminding students often of this and the report cards that will soon follow. After that will be parent teacher conferences on March 13 and 14. The evening of the 13th will also be the Celebration of Learning here in the High School. This will involve many students sharing their projects and other work they've spent time on this semester. Please ask your student if they are involved in any way, and please plan on attending as it will be a wonderful opportunity to see what is happening around the school. We are eagerly planning the different projects and works that will be highlighted that evening.

Food Service

The kitchen staff works hard on offering healthy choices for our students throughout the week. Good Luck to both the boys and Girls Basketball Team during our District Games this week . We can't say enough thank you! Thank You ! to the Volunteers that come in to help us serve our students daily .

We will continue doing finger scans for all new students for counting meals. All we need is one scan, and it is good for the rest of their time at Rehoboth. Once the student has graduated or leaves Rehoboth, scans will be deleted. If you have any questions, please do not hesitate to reach out. THANK YOU!

We are encouraging kids to drink all their milk and eat all the food provided. We do not want to see any food wasted this year! They are always welcome to speak up and turn down a food item, as long as they have three items on their tray, which needs to include a fruit or vegetable.

If you have any questions, praises, or suggestions, please feel free to reach me at danderson@rcsnm.org or 505-726-9616. Here's to a wonderful school year.

Be strong and of good courage, do not fear nor be afraid of them; for the Lord your God, he is the one who goes with you. He will not leave you nor forsake you.

Greetings everyone:

As the weather is slowly starting to warm up, that means that Road Construction will be more present in our surrounding area. As of now, there will be a road improvement project on HWY 66 from the Rehoboth tunnel entrance to the Churchrock bridge turn-off. This may affect the Crownpoint Route Bus since it uses that road for the AM/PM Route. Although road construction can test our patience, we are glad that there will be safety and road improvements.

We are excited that the Baseball and Softball season has begun at RCS! All sporting equipment bags with bats must be secure and put in a safe location throughout the bus route. The bus driver will have a designated area for all sporting equipment and this will refrain from accidental injury or distractions throughout the bus ride. Safety First!

A Few Reminders:

- As always, please keep your phone numbers updated in RENWEB. Delays or cancellations are announced through our RENWEB system by a text message and by email.
- Reminder that there is no FOOD or DRINK allowed on the bus. Water bottles must have lids secure so no spill will occur while the bus is in enroute.
- Please continue to be 10-15 minutes EARLY to your AM and PM Bus Stop! There may be times when buses arrive earlier than usual.
