## Table Talk

Bob Ippel, Executive Director

We are in the home stretch of the school year, a part of our school year journey that is the most challenging and the most important. During the homestretch, some racers who have been out in front the whole time suddenly lose steam and drop to the back of the pack. Other racers tap into a hidden reservoir of energy and kick into high gear, dashing from the middle of the pack to cross the finish line ahead of everyone else. Still others hold steady, staying true to their pace and finish the race just as they'd planned all along.

Whether we are students, staff or parents- this is it! Look at the school calendar or your family schedule and you know you are in the final stretch. While many variables will impact how we run this final stretch, the most important is what power is deep within us. From where do we draw our strength? Scripture reminds us to "trust in the LORD with all your heart, and lean not on your own understanding; in all your way submit to him, and he will make your paths straight." (Proverbs 3: 5-6). May we all cheer each other on and together finish the race strong. See you at the finish line!

Bob Ippel  
Executive Director

# Elementary News

## **Tools and Toys**

Fidgets and sensory tools versus toys: In a nut-shell, tools aid students in their learning. They increase focus and help some students learn. Toys become a distraction and impede learning for the student and others around them. Sometimes it is difficult to tell the difference between a tool and a toy. Ask your student's teacher more about this fine line between fidgets and toys and whether or not your student uses them appropriately. Here's a [great article](#) that does a great job explaining the difference, and how tools can help our diverse body of learners!

## **Toolbox Thursday**

Our God Job for this week is to become Beauty Weavers. We experience God weaving beauty into the mess and chaos in our lives. The Holy Spirit can also guide us to use our Toolbox Tools to weave beauty into the difficulties of our lives. Encourage your child(ren) to show and describe their Beauty Weaver artwork to you.

This is a required day of school, and we look forward to working together.

## **Appropriate Dress**

As the weather is getting warmer again, it's a good time to remind ourselves about appropriate dress for school. I'm grateful that Rehoboth allows students to express themselves through the clothes they wear and learn to make responsible choices that will serve them well later in life. Our [dress code](#) was revised last year to reflect this perspective, along with current trends. The main thing to remember is that students coming to school should dress for the positive learning environment we want to create. We recognize that there are occasions and places where more revealing clothing may be appropriate, but let's work to preserve school as a place where everyone can learn comfortably. Thanks for your support!

Hello Rehoboth Christian School families!

My name is Duane Yazzie and I am the Box Tops for Education Coordinator for our school.

During the ups and downs of the past couple of school years, one thing is certain: teachers and students need more help than ever before. Box Tops is a fast and easy way for you to support RCS.

Our goal is to support book purchases for the library through Box Tops. We have currently earned \$100.00 and we'd love your support!

Here's how you can help us reach our goal:

- Buy Box Tops products, scan your receipt with the Box Tops app within 14 days of purchase and earn for Rehoboth Christian School with every Box Tops product you buy.
- Refer your friends, family and other parents in the school to download the app. You'll even get Bonus Box Tops for our school with each referral that successfully scans their first receipt.
- Turn on notifications in your Box Tops app to get scan reminders and stay updated on special offers, new products and opportunities to earn for our school. Go to your Communications Settings by tapping on the person icon in the upper-right corner of the app.

Let's give our library the support it deserves and little by little, we can help make a big difference.

Sincerely,

Duane Yazzie, Teacher-Librarian
