Table Talk

Bob Ippel, Executive Director

Dear Parents,

Because this time of year is so busy for you, we have decided to have our Association Meeting on Thursday, May 9 before the Middle School Band Concert which will be held in the gym. Middle school band members will be meeting in the band room at 6:30pm to warm up for their 7:00 pm concert. While they are warming up, we will have the Association meeting where we will share highlights of this past year and look to the 2024-25 school year. If you are not able to stay for the Middle School band concert, you can just attend the Association meeting. A reminder that as a Rehoboth parent, you are automatically a member which means that you, through your Board representatives, are given the privilege and responsibility of caring for the mission of the school and are called to help it flourish. Come join us on May 9. And of course we will have some door prizes!

Amazed!

Bob Ippel
Executive Director

Tools and Toys

Fidgets and sensory tools versus toys: In a nut-shell, tools aid students in their learning. They increase focus and help some students learn. Toys become a distraction and impede learning for the student and others around them. Sometimes it is difficult to tell the difference between a tool and a toy. Ask your student's teacher more about this fine line between fidgets and toys and whether or not your student uses them appropriately. Here's a [great article](#) that does a great job explaining the difference, and how tools can help our diverse body of learners!

Toolbox Thursday

Is someone in your family really good at using the Breathing Tool when they are upset? Do you know someone who is super great at letting the little things go by tossing them into the imaginary garbage can?

During Toolbox Time we will do a Scavenger Hunt to find classmates and friends who are using the tools to help them live a happier, healthier life.

High School Highlights

State Champs!

Congratulations to our Concert Band for taking home the A-3A State Championship trophy this past Saturday! We are so proud of our musicians. Come hear the band perform its tour setlist at the spring concert on Monday evening, April 29 at 7pm in the LC of the high school. You'll be able to help them celebrate their championship and order championship t-shirts as well.

Junior-Senior Banquet Tickets

Students should buy tickets ASAP for the Rehoboth Junior-Senior Banquet (JSB) in the high school office. Each ticket is \$30. If a Rehoboth student wants to take a guest from another school, they must get a form from the HS Office and have it filled out by the other student's school officials.

The **JSB** is this Saturday, April 27. SFC Lobby Doors open at 6:30pm, with dinner served at 7:00pm. The dance goes from 8:00-11:00 pm in the LC. Ticket prices cover the meal, the DJ, and photos of each student.

Appropriate Dress

As the weather is getting warmer again, it's a good time to remind ourselves about appropriate dress for school. I'm grateful that Rehoboth allows students to express themselves through the clothes they wear and learn to make responsible choices that will serve them well later in life. Our [dress code](#) was revised last year to reflect this perspective, along with current trends. The main thing to remember is that students coming to school should dress for the positive learning environment we want to create. We recognize that there are occasions and places where more revealing clothing may be appropriate, but let's work to preserve school as a place where everyone can learn comfortably. Thanks for your support!

Senior Class Trip

Senior Trip is happening Saturday, May 18 - Monday, May 20. Permission form packets have been sent out to student and family emails and extra copies can be picked up in the HS front office.

Permission forms are due back by Friday, May 10 so that final counts can be given to booked activities. Remaining chocolate money that students may still be responsible for is also due on the 10th.

Students will also need to make sure they take care of all final exams/assignments the week of the trip. All details and the itinerary can be found in the permission packet. We hope to see your student there!

READING IS FUNDAMENTAL ANNOUNCES WINNERS OF “RALLY TO READ 100” SWEEPSTAKES

Rehoboth Christian School will be awarded 100 new books for their school library and classrooms

Washington, DC – APRIL, 2024—Reading Is Fundamental (RIF) is proud to announce that Rehoboth Christian School has been selected as a winner of its “Rally to Read 100” sweepstakes, a six-month initiative designed to ignite a love of reading for students in grades PreK- 5 across the country. As one of 100 national awardees, Rehoboth Christian School will receive 100 books curated to inspire its young readers.

The sweepstakes giveaway is a part of Reading Is Fundamental’s “Rally to Read 100” campaign, which launched in October 2023 to engage students in the joy of reading. Students, educators, families, and RIF partners were invited to take on the fun challenge of reading 100 books over the span of six months by the end of National Reading Month in March. The “Rally to Read 100” campaign provided accompanying resources at RallytoRead.org including monthly themes and book lists, virtual read-alouds with popular authors, and activity packets.

“An important part of designing this campaign was to encourage students to read, but also to ensure that schools and families have free access to diverse reading resources on a variety of topics that relate to the world around them. We are so excited to contribute 10,000 books in total prizes to help build engaging bookshelves for the winning schools’ libraries and classrooms,” said Reading Is Fundamental President and CEO Alicia Levi.

The “Rally to Read 100” sweepstakes welcomed K-5 educators to submit their schools for the chance to win 100 new books generously being donated by Barnes & Noble to help build their libraries and classrooms with a range of stories, characters, and authors. After a process of random selection from a pool of thousands, 100 applicants were chosen including Rehoboth Christian School.

About Reading Is Fundamental:

Reading Is Fundamental (RIF) is committed to creating a nation of lifelong readers by inspiring the joy of reading among all children, putting them on the path to becoming skilled readers. We provide free, high-quality content to engage children, educators, families, and literacy advocates in the solution to the U.S. literacy crisis—so that every child has the fundamentals for success. As the nation’s leading children’s literacy nonprofit, RIF has provided nearly 430 million books and reading resources to over 160 million children since 1966, impacting generations of children.

Hello Rehoboth Christian School families!

My name is Duane Yazzie and I am the Box Tops for Education Coordinator for our school.

During the ups and downs of the past couple of school years, one thing is certain: teachers and students need more help than ever before. Box Tops is a fast and easy way for you to support RCS.

Our goal is to support book purchases for the library through Box Tops. We have currently earned \$100.00 and we'd love your support!

Here's how you can help us reach our goal:

- Buy Box Tops products, scan your receipt with the Box Tops app within 14 days of purchase and earn for Rehoboth Christian School with every Box Tops product you buy.
- Refer your friends, family and other parents in the school to download the app. You'll even get Bonus Box Tops for our school with each referral that successfully scans their first receipt.
- Turn on notifications in your Box Tops app to get scan reminders and stay updated on special offers, new products and opportunities to earn for our school. Go to your Communications Settings by tapping on the person icon in the upper-right corner of the app.

Let's give our library the support it deserves and little by little, we can help make a big difference.

Sincerely,

Duane Yazzie, Teacher-Librarian
