

Parent News

March 5, 2020

Parent involvement in their child's school is important. Supporting children by attending their school functions makes a statement which shows a parent cares. Asking about homework or going to Parent Teacher Conferences show that parents value education. Parents volunteering at the school remind their children that the school is a family of which they are a part. As a Rehoboth staff, we know we are blessed with a unique group of parents who do care. We say thank you! We love your input about what is going well and suggestions for improvement. You will have a chance to share some thoughts in the next weeks through some surveys that we will be sending out. Thanks for your partnership.

Please also note that the RCS Administration is carefully following developments of the health issues connected to COVID-19. Like schools throughout the country we are preparing for possible extended school closures if directed to do so. While we hope this does not happen in our area, we do want to be prepared. A reminder that healthy living habits should be something we are conscious of all the time. (See Staying Healthy Reminders under Nurse's corner)

The Finance Committee will meet on Thursday, March 12 from 4:30-6:00pm. The committee will be looking at the proposed budget for the 2020-21 school year.

The Land Use Committee will be hosting a Land Planning Session on Saturday, April 18 from 9-11 am in the High School. Come have coffee and donuts and dream of what might happen with the land that has been donated to Rehoboth.

Housing Survey

Mrs. Bia's class is using math in the community. They are looking at housing issues that our nation is facing, but also that our community is facing. In the process, they've connected with a few different organizations. As God would have it, the city is currently conducting a housing survey to find out what needs we have in our community. They would love a wide variety of responses. Use the link to go to the survey or let Peter Ippel know if you'd like a paper copy (505-726-9605). Thanks for helping make our community stronger.

Make A Difference--Showcase TONIGHT!

The RCS 3rd graders have been digging deeply into the endangered organisms in our area and what is causing them to be endangered. They would love for all community members to attend their showcase where they will present info about the endangered species along with presenting ideas of things we can do to make a difference. Check out their flyer at bit.ly/rcs3rd

Tuition Assistance applications for the 2020-2021 are available now at the end of the Parent News. After re-enrolling, please return a TA application along with your 2019 1040 tax document to our administration building. We will then complete a tuition contract for next school year.

Do we have your updated information?

Parent text alerts are sent out from time to time regarding school related changes such as school closures due to inclement weather. If you are not receiving parent text alerts there may be a few reasons why: .

1. It may be that we have a wrong cell number on file. Please verify your cell number with us.
2. Your preferences in ParentsWeb may be turned "off" to receive text messages from us. These preferences were made at the time of re-enrollment or in the admission application if you applied just this year.
3. Check your cell services as well. Sometimes due to your service area up may not be available to receive text messages.

With #1 or #2, we can also help you take care of this. You can email or call the admissions director, however, you can also log into your ParentsWeb to update your preferences. Below are the directions:

1. Log into your ParentsWeb.
2. On the left sidebar click “Family” where you’ll see a split screen and on the right is a list of your preferences. Scroll down to see “Parent Alert Cell Phone”. Yes, to receive or No, to not receive.
3. If you want to make changes to this, on the upper right click pen icon to edit which you’ll be directed to the “web forms”.
4. Under Custodial Parents, select which parent your are changing preferences for and click “Custodial Parent Form”
5. Scroll down and under Parent Preferences bar, you will see the list of preferences that will say “yes” or “no”
6. Any changes made, don’t forget to click “save” at the bottom before moving out of form.
(This is also the location you make any parent updates)

Amazon Smile

Did you know that Rehoboth received about \$400 in support from [AmazonSmile](#) in 2019? We thank you if you are one who selected Rehoboth as your organization to support.

What is Amazon Smile?

AmazonSmile is a website by Amazon with all the same products, prices, and shopping features as Amazon.com. There is even one for Amazon Smile Prime. The difference is that when you shop on AmazonSmile or AmazonSmile Prime, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice.

We know there are a lot more parents, friends, and family of Rehoboth who make purchases from Amazon daily. If you make purchases through Amazon currently you should be able to log in to [AmazonSmile or AmazonSmile Prime](#) with your same credentials with Amazon.

Once you are logged in, you can change your charity by either clicking on the “Supporting” orange area or under “Your Account” in the drop down menu click “Your Amazon Smile”. Thank you!

In your ParentsWeb account, you are now able to see the number of hours you have contributed.

Under Family on the left sidebar, you'll see Family Home. Then choose the parent on top of page, you will then see a list of where the volunteer hours were done and a total number completed. You can only view them here.

Reminder: After you complete volunteer hours, don't forget to fill out the **PVP hours form** for Rehoboth. It is really quick and easy to do online. [Click here](#) to do directly online or you can stop by the EL/MS or HS office and fill out the paper form. You can also find the online form on our website under the Academics tab and click parent volunteer.

If you do not see your hours reflected in ParentsWeb, please talk with the lead of that program or department about reporting your hours.

Food Service

Parents:

We are so thankful that we can try to support our families and students who are attempting to be good creation keepers by providing microwaveable bowls so they can heat up their food that they bring from home. Unfortunately, we went from 15 bowls to 2 bowls in one week. While some were found at the High School, we suspect some were thrown away. Please remind your students to not take these bowls from the fellowship hall and do not throw them away. We would love to use real silverware with our meals- but have found that these too were thrown away.

We need a current year doctors allergy/special meal request form filled out. This is a requirement at all NM schools. Please keep an eye on Parent News for the weekly menu. If there is something on the menu that they cannot eat, especially due to allergy, we don't want to feed it to them by mistake. Our goal is to feed the kids well and safely. Chef Monica is happy to make adjustments on menu items to fit the need. But we can't make the adjustments if we don't know.
