

Update on Distance Learning

March 22, 2020

Good evening,

A reminder that families can pick up school books on Monday, March 22, any time from 10:00am to 6:30pm. We know that some of you are now in a shelter in place situation which means you will not be able to pick up your child's materials. We will figure out a way to get to you what your child needs if you are not able to come to Rehoboth. When you come on campus you will drive past the Administration Building where you will be stopped and given some information about the pick up procedure protocol. (Don't go on the road that goes past the Post Office but the one that leads

to the Sports and Fitness Center) We know this new way of doing education will be a learning process for all of us. And as I have stated, our goal is to provide a good educational experience for both those who are working "online" and "offline."

A reminder that both a free drive through breakfast and lunch will be provided outside of the Fellowship Hall tomorrow. (8-10; 11-1) If you are over 18, you will need to pay, 18 and under are free.

Praying God's blessing on the beginning of our final quarter and praying for a calm that only He can give.

Mr. Bob Ippel
